### Notes:

1. FY 19/20 year to date actuals are recorded in the financial system through August 8, 2020. FY 19/20 has not yet closed yet as local sales tax is received in arrears.
2. FY 20/21 Projected Annual Growth for the Local Sales Tax and State Sales Tax are anticipated to decrease in FY 20/21 due to the economic impact of the COVID-19 pandemic.
3. Projected Annual Growth for Urban Revenue Sharing (State Income Tax) is relatively high due to higher than anticipated personal income growth. Urban Revenue Sharing distributions are known amounts because they are determined by State Income tax revenues received two fiscal years ago.
4. Other Revenues largely consists of building permits, civil and criminal fines, and defensive driving class fees. Ambulance Transport Program revenues were shifted to the Ambulance Transport Fund in FY 19/20. The FY 20/21 revenues are projected to increase due to the payment in lieu of franchise fees for utilities, which was implemented July 1, 2020.
5. Other Transfers includes \$3.5M into the General Fund for pay-as-you-go infrastructure projects. FY 19/20 actuals were below budget due to shifting funding to projects in the General Capital Fund.
